
Café de Paris

The Public Service Commission would like to invite you to come and join us next week for the launch of the **Café de Paris** personalized French-language training program in the following two locations:

Charlottetown: January 14th from 9 am to 12 pm at the Zax Cafe boardroom, PAB complex

Summerside: January 15th from 1 - 4 pm at the Public Service Commission office, 2nd floor, Access PEI

This free-of-charge workplace initiative is designed to support employees wishing to acquire or maintain proficiency in French during one-on-one sessions with an instructor. The approach is adapted to the specific employee's linguistic levels and interests.

We are very excited about offering this opportunity to employees in partnership with the Collège de l'Île, Réseau Santé en français Î.-P.-É. and the Acadian and Francophone Affairs Secretariat. Employees will be able to sign up for the scheduled 30 minute sessions starting the following week on Mondays (from 9 am to 12 pm) in Charlottetown and Tuesdays (from 1 – 4 pm) in Summerside until the end of March.

We invite you to come to Zax cafe boardroom on January 14th or to the Access PEI Summerside office on January 15th to meet the instructor and find out about the program and enjoy a coffee and a pastry.

P.S. If you cannot attend the launch and you would like to sign-up for a session please communicate with Manon Beaulieu, French Language Services Manager, at mbeaulieu@gov.pe.ca.
