

## 2024 Public Service Week - Scavenger Hunt

*Prepared by Mitchell Crouse, Cynthia Cormier, and Public Service Week Committee!*

### **Scavenger Hunt Description:**

Participants are asked to **take a new picture** (not off the internet or already saved on your devices!) with (or of) 15 of the items and/or places on the list below. ANY 15 from the list count as a completed scavenger hunt. Print the Scavenger Hunt objectives list out and check the boxes as you complete them.

All teams who submit a completed hunt by the deadline will gain one entry into a prize draw the following week.

**BONUS:** Every *additional 15* from the list you complete will get your team one extra entry. If you manage to get all 51, you'll get a bonus of 10 entries (13 total).

### **SUBMITTING COMPLETED SCAVENGER HUNT:**

1. Email your team's pictures, and the 15 (or more) objectives you completed to [psw@gov.pe.ca](mailto:psw@gov.pe.ca)
2. Please put "Scavenger Hunt – [TEAM NAME]" in the email subject line.
  - a. For example, "Scavenger Hunt – PSC Panthers"
3. Make sure you list or CC your teammates in the email, so we know who is on your team.

### **RULES:**

1. Participants may go it alone, or form teams of up to 5 players. The prize will be shared evenly amongst your team, so smaller teams will be rewarded for the extra challenge of having fewer teammates.
  - a. Teams are welcome to split up and tackle different objectives to maximize efficiency, but ***please submit all photos together in one email.***
2. The scavenger hunt officially begins at 9:00 AM on **Monday, June 10 and ends at 4:00 PM Friday, June 14.**
3. Participants must email their completed hunts **before the end of the event** (submissions accepted up to 3:59 PM on Friday, June 14) to be eligible for the prize draw. The prize draw will take place the following week. Winners will be contacted.
