SHAPE THE *Future*

Public Service Commission's Executive Leadership Accelerator Program

Are you a leader in the public service who is ambitious and interested in:

- ✓ Advancing your leadership vision and decision-making capabilities?
- ✓ Leveling up your team building skills to build momentum and deliver results?
- ✓ Managing priorities, collaborating, and coordinating important work across the public service?
- ✓ Receiving 1:1 leadership coaching?
- ✓ Taking on new challenges and senior leadership roles as part of your career plan?

The Public Service Commission (PSC) in partnership with Executive Council Office (ECO) are pleased to announce a new **Executive Leadership Accelerator Program** for leaders who are interested in further advancing their leadership skills and are aspiring to assuming an executive leadership role in the public service as part of their career plan.
