

2024 PUBLIC SERVICE WEEK

Scavenger Hunt

Our Office Bear had a very busy week galivanting across the province during Public Service Week. He is quite proud of achieving 42/51 locations (checklist on final page). Of course, a picture was never complete without him front and centre. As the week wraps up, he is off to take a well-deserved(?) nap zzzzzzz

We hope you enjoy the photos on the following pages!
