# MEDICAL TERMINOLOGY COURSE

The medical language is a fascinating combination of Greek and Latin words that form the basis of a standardized and precise language spoken between healthcare professionals. This online Medical Terminology course will concentrate on the word parts that make up medical terms and the rules applied to properly form, breakdown, spell, and pronounce medical terms.

**Course Cost:** \$125.00 +HST

**Delivery Method:** Online, On-going

**Course Hours:** Approx. 4-5 hours
